Texans Events to Impact Garage

Pro football is returning to Houston with a bang as Houstonians welcome our new team, the "Houston Texans."

The week of August 31 through September 8 has been officially titled "Texans Week." This week-long tribute to the Texans will have an affect on the **Theater District Garage** and our **Access card holders**.

On Wednesday, September 4th, City Hall will be hosting the Texans Flag Raising Event. This event is scheduled to run from 11:30 a.m. until 1:30 p.m. and a big crowd is expected.

As always, we will make sure that there is ample parking available for our

Access card holders returning from lunch. However, please be aware that you might have to park on the lower levels or in spaces you are not accustomed to parking in

on regular days.

The next event that will impact our **Theater District Garage** is slated for Friday, September 6.

The event, the Texans Pep Rally, begins at

5 p.m. and is expected to draw crowds of over 10,000 people to the Theater District area. **Theater District Garage Access Card holders** should be advised that our garage will be extremely busy during this time and some entrances and exits may be blocked off due to the above ground streets being closed.

We will do our best to ensure that every possible exit is open during this event to help our **Access Card holders**.

For more information regarding the Texans week, please refer to HoustonTexans.com or visit theaterdistrictparking.org for any updated information.

Parking Website a "Hit"

The City of Houston's theaterdistrictparking.org website has been a hit for our **Access Card holders**.

The website, which allows our patrons inside access to the goings-on at the

Theater District Parking garage, has been functional for one month.

The online version of *Access Granted* has special coupons and contests for our **Access Card holders** that are not listed on

the printed version. Please be sure to check this month's edition online for valuable coupons.

For additional information, please call 713-236-5775.

We Will Never Forget

As we enter September 2002, every American will be reminded with images of the terrible tragedy that happened to our country one year ago.

The Houston Symphony and Angelika Film Center are doing their part to honor our fallen Americans with programs that reflect and pay tributes to those victims as well as our American heritage.

The Houston Symphony, conducted by Michael Krajewski, will present "*Salute to America*," a musical salute to the spirit of America. The performances will be September 6, 7 and 8 and will feature the best of

American popular music along with

many patriotic favorites such as George M. Cohan's "*You're a Grand*

Old Flag," and Irving Berlin's "*God Bless America*."

The Angelika Film Center will have on display pieces of the actual beams from the World Trade Center along with touching tributes to the day that changed America as we know it.

This event will be held on September 10 at the Angelika Film Center located in Bayou Place.

More events are still being planned. Watch our website for details as they impact the **Theater District Parking** garage.

Just the FAQ's (Frequently Asked Questions)

Q: Can I leave my vehicle in the Theater District Garage overnight?

A: Yes. However, if you plan on leaving your vehicle in our garage overnight or for an extended period of time, you must call Security and let them know. Their phone number is 713-228-5808.

Q: How does my access card work?

A: Your access card works by placing it on an electronic reader at the entrances and exits. This reader "reads" the code in your card and allows for access into and out of the garage. This is why it is so important to use your card in the proper in-out, in-out sequence.

Q: What if I forget my access card?

A: If you forget your access card, you must "pull" a ticket and come by our parking office (located on the green level, entrance #1) and get your ticket validated. If you choose to leave without this procedure, you **WILL** be charged the applicable daily rate.
